OFFICIAL SEMESTER 1 GRADE REPORT

This is a semester 1 grade report issued by The Coding School. The Coding School (TCS) is not a degree-granting institution, and students seeking course credit must receive it from their own school. The information provided in this report is intended to help the student's school decide the type and quantity of credit to award at their discretion.

STUDENT INFORMATION

Last Name	Sharma
First Name	Nilima
Student ID	1532_Sharma

COURSE INFORMATION

Name of Institution	The Coding School
Course Name	Qubit by Qubit's Introduction to Quantum Computing
Course Description	<p>This is an introductory course in quantum computing. The aim is to expose students to this emerging field while providing them with real-world programming skills for quantum computers. In the course, students will learn about the foundational concepts in quantum computation including quantum gates, circuits, quantum algorithms and protocols, quantum key distribution, and entanglement.</p> <p>Total Hours: 50 Course Hours</p>
Official Length of Semester	09/29/2024 - 12/14/2024
Instructor(s)	Dr. Derrick Boone and Dr. Connie Hsueh

GRADES

Semester	Grade Mode	Grade
Semester 1	A-F	A
Semester 1	%	99.83
Semester 1	Pass/Fail	Pass

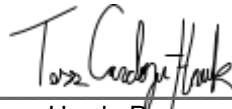

GRADE SCALE

The following table shows The Coding School's grading scale. A grade of 60% or above is considered passing.

Letter Grade	Range
A	85% - 100%+
B	70% - 84%
C	65% - 69%
D	60% - 64%
F	59% or below

DATE ISSUED: 12/18/2024

SIGNATURE OF TCS REPRESENTATIVE:

Tess Cardoza-Hawk, Program Manager
